What if? How? Why? What's happening?  
What should I do? What's the problem?  
What to do? Is there enough time?  
What are the risks? Can I really do this?  
What is my plan B?  
What is my goal?  
Isn't it too late?  
Why I am doing this?  
What I don't understand?  
What can go wrong?  
Who can help me?  
How can I help others?  
Is it safe?
