

Certificate of Training

This certifies that

[First name] [Surname]

has participated in the bioSPIRE project “ [project title] ”, supervised by [supervisor name and position] at the Department of Biological Sciences, University of Bergen.

[First name] [Surname] has completed a period of [number] hours at the lab on the project during [semester]. She/He has acquired the skills described in the attached project description, experienced working in a research team and under the supervision of [name], and learned to collect biological data that will be used in future publications.

The goal of bioCEED’s project bioSPIRE is to give bachelor students relevant practical training in biology, give insights in the daily tasks of a biologist and introduce them to the many possibilities that the research field has to offer. Students choose and join a project administrated by the Department of Biological Sciences, and actively participate in practical tasks under the supervision of a Master or PhD student, or a postdoctoral researcher.

[First name] has learned [summary of skills] and contributed to the project by [summary of tasks].

Bergen, [DD-MM-YY]

Ragnhild Gya,

bioSPIRE project leader

Jonathan Soulé

Senior Engineer, bioCEED
